

PROGUIDEZ

DiLam[™] Machine

COMING SOON!

ProGuidez is moving you forward with our newly designed and patented DiLam[™] Machine. As the name suggests, the DiLam[™] Machine is part Diecutter and part Laminator, transforming what has been a standard two step, or more, process into a single continuous high speed in-line process!

DiLam[™] Combines...

**Combining processes SAVES you an
incredible amount of TIME
AND MONEY!**
